VERSE 1

My heart I give you now
So You can make it fresh
For Your power to change
And make it clean

VERSE 2

My heart I give you now
Let it be a sanctuary
For Your spirit to dwell in me
Guiding me

PRE CHORUS

Lord let it be
Where my life is broken and humbled at Your feet
Lord let it be
Where Your life completely changes me

CHORUS

Lord let this be a place
Where Your presence dwells in us
Let this be a place
Where Your life's alive in us
Oh, let this be a place
Where You long to come in
Jesus, have Your way
You are worthy to be praised

VERSE 3

You traded all heaven
To come for all mankind
So that You would die
And I may draw close

VERSE 4

So here's my broken heart
Constrained from all my sin
Take it and wash it so
We can dwell in harmony

Chorus 1

Lord let this be a place
Where Your presence dwells in us
Let this be a place
Where Your life's alive in us
Oh, let this be a place
Where You long to come in
Jesus, have Your way
You are worthy to be praised

INSTRUMENTAL: F | Am | G | F | Am | Em

BRIDGE

In the Holy of Holies
I can enter in
For Your love made a way
So I can go in
In Your presence, I lay myself down
In Your presence, I lay myself down
In Your presence, I lay myself down, Lord have Your way
